February News Update

A Message from Southfields Primary School

Dear Parents and Carers,

We hope that all our families enjoyed a restful and enjoyable Half Term break. As we return for the second half of the Spring Term, we would like to extend our sincere thanks for your continued support—particularly for attending Parents' Evening and for the many families who have been visiting the school library with their children. Your involvement makes a meaningful difference to our school community and to the children's enthusiasm for reading and learning.

February has been a wonderfully busy and enriching month across the school, filled with memorable experiences, exciting learning opportunities and fantastic achievements from pupils in every year group.

Attendance Matters

We would like to take a moment to celebrate our excellent whole-school attendance. Southfields is currently 5th out of 85 schools in Coventry, a fantastic achievement that reflects the commitment of our families and the positive attitude of our pupils. Thank you for everything you do to ensure your children are in school every day.

Being in school on time, every day is vital. It helps children settle into routines, feel confident, and make the most of every learning opportunity. Even a few minutes of lateness can mean missing key instructions or the calm start to the day that helps children feel ready for learning. We appreciate your continued support in making punctuality and attendance a priority.
