End of School Year Message

Dear Parents and Carers,

As we come to the end of another fantastic school year, we would like to thank you for your continued support and partnership.

We are incredibly proud of our pupils and all they have achieved this year. The amazing progress made by children across the school is a testament to their hard work, enthusiasm and determination. It has been wonderful to see their confidence grow, their skills develop and their love of learning flourish.

This year has also been filled with a vast range of enriching opportunities for our children, both inside and outside the classroom. From educational visits, sporting events, performances, competitions and special themed days, to leadership opportunities and wider curriculum experiences, our pupils have embraced every opportunity with positivity and enthusiasm. These experiences have helped them develop not only academically, but also socially, creatively and personally.

We are also delighted to celebrate the excellent assessment results achieved this year. These outstanding outcomes reflect the dedication of our pupils, the commitment of our staff and the invaluable support of our families. Together, we have much to be proud of.

As we reach the end of the year, we would also like to wish **Mrs Boyd** all the very best as she moves on to an exciting new role. Mrs Boyd has made a tremendous contribution to Southfields Primary School, and we are incredibly grateful for her dedication, care and commitment to our children over the years. While she will be greatly missed by pupils, staff and families alike, we know she will be a fantastic success in her new position and we wish her every happiness for the future.

As the summer holidays begin, we wish all our families a happy, safe and relaxing break. We hope you enjoy spending quality time together, creating special memories and taking some well-deserved rest.

A reminder that **school will reopen for pupils in Years 1 to 6 on Thursday 3rd September. Reception and Nursery children will have a staggered start to the school year**, and parents will already have been informed of the arrangements for their child.

We look forward to welcoming everyone back in September, refreshed and ready for another exciting year of learning and success.
